Deckhands – Harvest Support Vessels

Working within the Harvesting Department, you will provide support to the sites by ensuring the following type of work is executed in a safe and professional manner.

Responsibilities:

- Ensure the health and safety of yourself and others, safety and security of the vessel, and the protection of the environment from pollution from the vessel.
- Strictly follow specified Marine Harvest policies, operating procedures, and company standards.
- Participate in safety and emergency training and drills, crew familiarizations, mentoring and training of new personnel, (etc.) as well as completing documentation as required.
- Harvesting fish with attention to fish husbandry and welfare.
- Handle seine and harvest pen rigging set up / tear down, grower nets, and movement of freight.

Qualifications:

- Domestic Vessel Safety (DVS), Marine Emergency Duties (MED), and certificates in ROC-M / MC (radio license), Marine First Aid are preferred.
- Deckhand experience or a combination of vessel certification and related work experience.
- Strong work ethic essential. Must have the ability to work effectively in a high intensity, physically demanding project related environment.
- Highly organized, with good time management skills.
- Team player with developed communications skills and interpersonal abilities including conflict resolution.
- Self-motivated, able to work both independently and in a team environment.

Closing Date: 10th December 2018

We offer competitive wages, a comprehensive benefits package, and potential for annual company bonus. Travel to sites is provided as well as food program and required gear. Opportunity for growth and professional development is another benefit of working at Marine Harvest.

To be considered for this opportunity with a progressive, growth-oriented company, please submit your resume and cover letter online at <http://marineharvest.ca/people/employment-postings/>

Marine Harvest is the world's leading seafood company and the largest producer of salmon. Every day, our 13 233 employees in 24 countries produce 6.2 million healthy and delicious meals, served to customers across the globe.

Marine Harvest covers the whole value and production chain, from feed to plate, and through our vision of leading the "Blue Revolution" we are dedicated to farming the ocean in a responsible and efficient way. Marine Harvest is headquartered in Bergen, Norway, and is listed on the Oslo Stock Exchange.
