

Dave Landon Motors Ltd
7150 Market St. PO Box 67
Port Hardy, B.C. V0N 2P0

Marketing and Client Support Manager

Dave Landon Motors is pleased to announce an exciting new employment opportunity within the dealership as the Marketing and Client Support Manager. This new position will require a person with a history of success in retail sales and the ability to develop successful marketing programs for all dealership departments. You will be required to work with each department manager to create and implement sales and marketing plans to grow our customer base by promoting and building value in our products and services. In addition you will actively seek opportunities for the dealership to participate in or sponsor community events that will raise public awareness and elevate the dealership profile within North Island communities.

The successful candidate must enjoy dealing with people and have the ability to speak confidently about their products and services to the public. You must be organized, efficient and detail oriented to complete your daily tasks. Previous use of office programs, excel and proficiency in typing will be beneficial. Additionally you will need to have a good working knowledge of email programs as well as social media.

You will be required to apply for a Vehicle Sales licence as a portion of your responsibilities will involve vehicle sales and sales events. You must be willing to work flexible hours or weekends as required to be successful. This is a salaried and partial commission position that will be rewarding to the candidate who is eager and motivated to succeed.

Dave Landon Motors provides a full benefits program including medical, dental coverage, short and long term disability. Please submit your resume by email to dlsales@telus.net or in person by appointment with Todd Landon.
