We are searching for a

# Warehouse and Logistics Supervisor - Omega Dock Warehouse

We are looking for a person that will contribute to our continued improvement and growth. The successful candidate will have the ability to build good relationships, and have excellent customer service skills. The candidate will also work closely with the Warehousing and Logistics Manager to standardize processes and improve coordination between other warehouse locations, site, and operations staff. The ability to multi-task and manage the demands of a busy work environment is also an asset.

## KEY RESPONSIBILITIES:

- Management of an employee at our Omega Dock warehouse location in Port Hardy
- Receiving goods ordered and processing receipts in our Basware purchasing system, preparing documents for shipment, and shipping various items to and from Marine Harvest sites and suppliers.
- Maintaining the warehouse facility and ensuring all work is done in a safe and efficient manner.
- Driving the standardization of warehouse practices.

## QUALIFICATIONS:

- Grade 12 diploma.
- Maintains a current BC driver's license, minimum Class5.
- Forklift certification.
- Supervisory or management experience
- Physically fit and familiar with safe lifting practices.
- Good computer skills (Word, Excel and Outlook) and familiarity with shipment tracking software.
- Excellent problem solving, communication and organizational skills.

**Closing Date:** December 15th, 2017

This role will be based at the Omega Dock warehouse in Port Hardy. There is a preferred candidate for this role. To be considered for this opportunity, please apply via [www.marineharvest.ca/people/employment-postings/](http://www.marineharvest.ca/people/employment-postings/)

*At Marine Harvest Canada, our team of over 550 employees grow, process and package 45,000 tonnes of fresh Atlantic salmon for shipment to our worldwide customers. While operating in some of the most beautiful locations around Vancouver Island, we are dedicated to leading the “Blue Revolution” by farming the ocean in a responsible and efficient way. As part of the Norway-based Marine Harvest Group, we are recognized global leaders in sustainability, safety and innovation.*
