Day 2 – Thursday, Nov 27 ☐ 9:00 AM – 5:00 PM Individual consultations with WorkBC

Qualifications & Experience:

□□ Workforce Solutions on Cortes Island □□ We're bringing together local organizations, youth, job seekers, and community partners for a collaborative session focused on different employment programs, training options and ways to help support job seekers, youth and community stakeholders/non-profit organizations on Cortes Island. This session will: ✓ Highlight employment programs, training options, and supports available through WorkBC Centre-North Island, Foundry Work & Education, and other community based employment initiatives ✓ Create space to connect with local organizations and community members committed to sustainable employment and workforce ✓ Share a practical list of contacts, resources, and funding options to help individuals and non-profits navigate programs with confidence Whether you're exploring job opportunities, supporting youth, running a community program, or working to strengthen local employment, this conversation is for you. □ Let's come together, learn from one another, and build strong, sustainable opportunities for Cortes Island.
