Details:

About the Role: Supermod is seeking a reliable and motivated Labourer to join our growing modular construction team in Campbell River. This is a full-time, permanent position offering steady work on exciting residential and commercial modular building projects. As a Labourer at Supermod, you will support production, framing, and site teams by assisting with material handling, site preparation, panel movement, and general construction duties. This role is essential to keeping our factory and job sites safe, efficient, and productive.

Key Responsibilities:

- Assist framers and trades with daily construction tasks
- Load, unload, and move building materials, panels, and tools
- Prepare work areas, clean job sites, and maintain organized work zones
- Support modular unit assembly in factory and on-site environments
- Use basic hand and power tools safely
- Follow WorkSafeBC and company safety procedures
- Perform general labor duties as required

Qualifications:

- Construction labor or warehouse experience is an asset
- Ability to lift heavy materials and work in a physical environment
- Basic knowledge of tools and job site safety
- Punctual, dependable, and team-oriented
- Willingness to learn and take direction

Details

- **Position:** Full-time, permanent
- **Schedule:** Monday-Friday (overtime available)
- **Compensation:** Competitive wages based on experience + benefits

Join Supermod and become part of a fast-growing modular construction team shaping the future of housing and commercial buildings in BC.

Qualifications & Experience:

- Construction labor or warehouse experience is an asset
- Ability to lift heavy materials and work in a physical environment
- Basic knowledge of tools and job site safety
- Punctual, dependable, and team-oriented
- Willingness to learn and take direction
