Thursday, February 05, 2026

Details:

Awl Tec is a heating and refrigeration company located in Campbell River. We are looking for a motivated individual who would like to learn the sheet metal trade. You would be working directly with our journeymen, learning from and assisting them with their daily work. Our work schedule is: Monday to Friday - 8:00 A.M to 4:30 P.M (8 hours with 30 minute lunch breaks) You would be expected to arrive and be prepared to start working by 8 each morning.

Qualifications & Experience:

- Must have a valid Canadian Driver's license
- Must have steel toe work boots
- No experience necessary, but if you have prior experience we are still accepting applications for this position
