Details:

Full job description K'awat'si Construction is seeking talented, motivated, and experienced Carpenters to join our growing team. If you're passionate about craftsmanship, modern architecture, and building at the highest level, this is an exceptional opportunity. We design and build some of the top modern architectural projects in the country, collaborating with leading architects across the West Coast. Our projects are thoughtful, complex, and built to the highest standards — the kind of work that elevates your skills and your career.

What You'll Do as a KCC Carpenter:

- Work on custom home construction projects
- Demonstrate pride in craftsmanship and commitment to quality
- Contribute as a team player focused on long-term growth and stability
- Collaborate within high-performing, professional crews
- Maintain a valid driver's license

What We Offer:

- Ongoing personal and professional development, including dedicated training budgets
- A culture where every voice is respected, encouraged, and heard
- Recognition programs celebrating excellence in the workplace
- Mentorship at all levels, fostering shared learning and growth
- A team committed to community stewardship and giving back
- A workplace deeply committed to quality craftsmanship and team celebration
- Full-time employment, comprehensive benefits, and competitive pay

Qualifications & Experience:

What We're Looking For:

- 10+ years of related experience or a combination of education and experience
- Strong knowledge of construction documents, drawings, specifications, and current building practices
- Ability to adhere to project schedules
- Skill in identifying constructability issues and proposing effective solutions
- Certificate, diploma, or university degree (asset)
- Advanced computer skills, including proficiency in MS Office, MS Project, and Procore
- Ability to work collaboratively with the KCC Construction Team
- Applicable machinery operation tickets (asset)
