Details:

Service Pro Plumbing, Heating and Gas is a locally owned and operated Service Plumbing company in Campbell River. We are looking to recruit a plumber apprentice to help expand our amazing team. Motivated, ambitious, team players will thrive and grow with a company that cares about you. We love our staff because they are the fundamental building block of our business. None of this would be possible without them. Working at Service Pro is a partnership between like-minded individuals rowing the same direction. We are building an all-star team so we can truly serve our clients on Vancouver Island. We would love to meet you and have a chat to see if this is a good fit.

Qualifications & Experience:

Experience an asset • Under the direction of the site foreman: move/haul material, pull water lines, fire caulking, thread pip and assist with any other tasks as required. • Second year apprentices will independently: thread pipe, install laundry boxes, with supervision: begin drainage, soldering, assembling tub valves and assist with any other tasks required. • Completion of Level 1 or above in plumbing apprenticeship • Strength, stamina, and the use of proper lifting techniques required to handle heavy tools and parts weighing up to 25 kilograms • Ability to visualize a finished product from a document • Ability to stand for long periods of time and do some moderately heavy lifting and carrying • Ability to work in high, awkward, and noisy places • Mechanical aptitude • Ability to work alone or with others • The ability to contribute to a highly team-oriented environment • Strong communication skills
