Expiry Date:

Monday, February 23, 2026

Details:

Full time March 1st - September 30th, in and around the Campbell River area. We build and repair decks, install vinyl decking, install aluminum railing systems, and other outdoor projects. We are a busy, seasonal company with a reputation for the best quality workmanship and excellent customer service. We provide a great work environment, often with fantastic views, with a free lunch at Subway for our staff once per month and other awesome comps. In return, we ONLY want workers with good attitudes who are willing to give 100% to the job. Pay is \$30/hr for March and April, with a raise to \$35/hr for the rest of the season for the right candidate. There is also a bonus if you stay the entire season. Worksafe Insurance provided. This is hard, fast-paced, physical work but there are also less physical days. You must be hard working, conscientious, have good communication skills, and be comfortable both as part of a team and working unsupervised. There is absolutely NO smoking on the jobsite. This is a great job for someone who wants to ski or travel in the winter!

Qualifications & Experience:

- Prefer a worker with 1-3 years of carpentry experience but willing to train depending on other skills.
- Must have own vehicle.
- Must be bondable.
- Must be able to lift 50lbs minimum, be comfortable with heights, and work in a variety of weather conditions.
- Must have own work pouch and basic tools.
