Details:

Laichwiltach Family Life Society (LFLS) has an opening for a pediatric Speech/Language Pathologist within our Indigenous Early Intervention (0-6 Years) Program in the Campbell River area. This team provides culturally sensitive, meaningful services to young children and their families prior to kindergarten entry. The 0-6 Program is based out of a publicly funded, non-profit community service hub that celebrates and envisions a thriving, proud, respectful, and inclusive community. Benefits: • Manageable caseload size • Unique, culturally rich experiences through Indigenous trainings and gatherings hosted by LFLS • Paid travel to the traditional territories of the We Wai Kai, Wei Wai Kum, Klahoose, and Mowachaht Muchalaht First Nations • Paid time off, including professional development. • Generous materials and educational budgets • Extended health benefits, including health, dental, and critical illness. • Eligibility for the BC Loan Forgiveness Program (<https://studentaidbc.ca>) • Membership fees cover up to \$750 per year. Salary: \$48-\$50 Hours per week: 28 - 35 hrs per week Start Date: TBD. Deadline March 20th 2026, or Until position is filled

Qualifications & Experience:

Education: • Master's degree in Speech-Language Pathology Requirements: • Experience working with young children and their families is an asset *New graduates are welcome to apply* • Cultural sensitivity to children's and family's needs • Desire to work within a multi-disciplinary, collaborative, family-centered early intervention team • Eligibility for registration with the College of Speech and

Hearing Health Professionals of BC (CSHBC) • Criminal record check • First aid certification (in-house training is available) • Valid driver's license and reliable vehicle
