☐ Are you a youth considering a career in the trades? Don't miss the Interactive Trades Expo on Friday, May 1 at Timberline Secondary! Hosted by WorkBC Centre - Campbell River in partnership with North Island College, School District 71, School District 72, and local industry partners, this hands-on event is your chance to explore real career opportunities. Get up close with equipment, try interactive activities, and connect with employers, educators, and skilled trades pros. Open to secondary students curious about trades or future training opportunities. ☐ Sign up through your school's careers office to attend!
