**Details:**

Are you ready to take off and start a new and exciting career in the aviation industry? If so, we want to chat with you! Come join our new operation in Campbell River! Do you love airplanes? Are you a strong team member and enjoy the satisfaction of completing a task under tight deadlines? Would you say that going above and beyond is in your DNA? Do you love to travel and want to travel even more at discounted rates? Does the opportunity to provide ground service support to some of Canada's best airlines appeal to you? Are you someone who is known for reliability and flexibility? If you've answered 'YES!' we want to hear from you! Executive Aviation is excited to announce that we are looking for Ground Handler Leads for our new Campbell River Airport Below the Wing team. This person will help in providing hands on leadership and coverage for each flight. You will be providing a great example to our Ground Operations team on how to safely and successfully work with aircrafts. We are looking for a hard worker, dynamic problem solver, progressive thinker, and someone who has the proven ability to create efficiencies in the operation. This position reports directly to the Operations Manager. This is approximately a 6-month seasonal position that will begin at the end of April 2026 and will end approximately the end of October 2026. What do we offer? Executive Aviation is proud to have very progressive wage ranges with lots of earning potential. The range of salary for this position is \$21.65-\$24.75/hour. We offer comprehensive Health benefits for all part- and full-time team members. We also have fantastic flight benefits with the airlines that we support. We want to see you grow and reach your goals! The sky's the limit with Executive Aviation.
