**Details:**

T-Mar Industries Ltd. “Design the best. Build the best. For the best.” Come join the T-Mar Industries Ltd. team! A career with T-MAR is an opportunity to work with a progressive industrial engineering, manufacturing, and repair company in Campbell River. Our reputation for customer service and quality products is built on our team’s integrity, determination, and over 40 years of business expertise. Our full-service shop specializes in repairing and manufacturing forestry equipment and attachments, however we work on projects across many different industries, catering to customers’ needs every step of the way. We are seeking a motivated individual to join our Welding/Fabrication team. As a Welder/Fabricator, you will perform a variety of tasks:

- Set up welding equipment.
- FCAW welding is a primary process, however SMAW and GMAW are also required.
- Read blueprints and drawings with weld symbols and measurements.
- Perform consistent, high quality production welding; meeting timelines, maintaining accuracy, and delivering work that meets T-MAR’s manufacturing standards.
- Uphold T-MAR’s Core Values of Safety, Care, and Efficiency.
- Demonstrate the T-MAR Give a Shìt mindset: take pride in your work, care about the customer, your crew, and the equipment, and show up every day ready to put in your best effort.

---

**Qualifications & Experience:**

All candidates must show proof of:

- Welder Certificate of Qualification with Interprovincial Red Seal Endorsement, or a Welder “B” Certificate of Qualification with Interprovincial Red Seal Endorsement.
- Minimum 3 years of documented welding experience.
- Proficiency welding in all positions.
- CWB FCAW Qualification or ability to obtain.
- CWB SMAW Qualification or ability to obtain.

Required Skills & Qualifications:

- Good communication skills, both written and verbal, in the English language.
- Ability to work in a team environment or individually with a positive attitude.
- Valid Driver’s License.
