Details:

We have an immediate opportunity for an Accounting Controller in Lake Cowichan to provide support in office. We are looking for an experienced and hands-on candidate to process and oversee our financial operations and support day-to-day business decisions. What You'll Do

- Prepare and manage monthly, quarterly, and annual finance statements.
- Maintain general ledger, including journal entries and reconciliations.
- Handle full-cycle accounts payable, and accounts receivable.
- Monitor and analyze job costing, (fuel, labour, equipment, and site-specific costs)
- Ensure compliance with CRA requirements (GST, payroll remittances, etc.)
- Support year-end processes and work with external accountants
- Develop and maintain internal controls and efficient processes.
- Process and manage payroll and support administrative staff as needed.

What We Offer:

- Competitive salary based on experience
- Stable long-term position with a respected local company
- Opportunity to play a key role in business decisions
- Supportive, down-to-earth team environment
- Health benefits package
- Opportunities for professional growth and development
- A friendly and casual work atmosphere

Qualifications & Experience:

Qualifications & Experience What We're looking For

- CPA designation (or working toward it) preferred
- 10+ Years of progressive accounting experience
- Experience in construction, forestry or a similar industry is a strong asset
- Strong understanding of job costing and operational reporting
- Proficiency in Excel and accounting software and familiarity with Eclipse Software would be beneficial
- Detail oriented, practical, no-nonsense approach with strong problem solving and critical thinking skills.
- Excellent organizational, prioritizing, and time management skills
- Willing and able to work as part of a team and independently
- Comfortable with change
