Details:

Who We Are: Active in Canada for over 60 years, we are part of De Beers Group, the world's leading diamond company. Globally, we are a team of more than 20,000 people, with operations in Canada, Botswana, Namibia, and South Africa, and activities across the diamond value chain from exploration to diamond jewelry retail. Our unwavering focus on sustainability and Building Forever fuels our commitment to advance standards across the diamond industry, protect the natural world, partner with local communities, and accelerate economic inclusion to support diversity in our business and beyond. In Canada, we have more than 600 employees working at offices in Calgary, Toronto and Yellowknife, actively exploring for new diamond opportunities, recovering diamonds at the joint venture

Gahcho Kué mine in the Northwest Territories, and closing and rehabilitating two mines. We are also advancing the Chidliak Project to establish a technologically advanced diamond mine on Baffin Island using FutureSmart Mining™ principles. At De Beers, we believe in the power of working in partnership with communities to create lasting, positive impacts that endure long after we recover the last diamond. Our inclusive and diverse workplace values mining with respect for the environment and nearby communities, and we seek team players who share our passion for Making Life Brilliant. Safety Safety first is a way of life for us. We are unconditional about the safety, health, and the well-being of our colleagues, at work and at home, and about that of the communities where we work. We aim to lead the industry by investing in innovation to protect people, who are at the heart of our business. Our high performing teams take accountability for their own and others' actions, work collaboratively, and always show care and respect. Equity, Diversity & Inclusion (EDI) As a global #HeForShe Thematic Champion, De Beers is committed to promoting an equitable, inclusive and diverse workplace where we value and respect every colleague for who they are. We provide equality of opportunity to enable everyone to fulfil their potential. Please inform us should there be any special requirements that should be considered as part of your application. Building forever Sustainability is at the heart of our decision-making – it is how we do business. Building Forever is key to our purpose as it represents our ambitious and holistic sustainability framework and is central to our ability to deliver long-term value to our communities and partners. This shapes how we protect our social and environmental license to operate, build a long-term legacy in our host communities and earn consumers' trust in our diamonds that they can wear with pride. Inclusion & Diversity We are committed to promoting an inclusive and diverse workplace where we value and respect every colleague for who they are. We provide equality of opportunity to enable everyone to fulfil their potential. Background Checks Successful candidates will be required to complete background screening which may include a criminal check and validation of qualifications.

Qualifications & Experience:

De Beers Group Canada has an opportunity for a highly motivated Heavy Equipment Technician who will report to the Mobile Maintenance Supervisor at the Gahcho Kué Mine based in the Northwest Territories. This is a contract position with an end date April 2027, with the possibility of extension. The position is a 14

days in/14 days out rotation. The successful incumbent will be responsible for the preventative maintenance and major repairs to mobile, auxiliary and stationary mining equipment, while continuously aligning daily functions to reflect the values of De Beers. The ideal candidate is one who is committed to safe working practices and strives for zero harm. Rewards & Benefits: Charter point of pick up (POP) is Calgary or Yellowknife; Travel Allowance to help offset the costs of getting to the nearest POP; Quarterly operational bonus program; Remote Mine Site Premium; Salary Enhancement for working in the NWT; Rotational Overtime; Vacation Leave and Pay; Immediate participation in our 100% employer-paid extended health and dental benefits program (no waiting period); The Gahcho Kué Mine camp features a full-service dining room, and individual private bedrooms equipped with satellite cable television, telephones, and WiFi internet. There's also a full-sized gymnasium, squash courts, and state-of-the-art fitness equipment. Key responsibilities: Working with a team to conduct job risk assessments and safe work plans ahead of the work being completed and performing work in a safe well-managed manner; Conducting preventative maintenance and servicing of mobile equipment; Checking for proper performance and inspecting equipment to detect faults and malfunctions; Diagnosing, troubleshooting and determining extent of mechanical problems; Rebuilding components and working with manufacturers when necessary; Documenting and returning completed work orders in a timely manner; Communicating with Supervisors and co-workers to coordinate work and provide updates; and Providing input and working collaboratively with Planners and Schedulers to develop work packages. Qualifications Valid Interprovincial Red Seal Journeyperson's Heavy Duty Technician Certification; A minimum of 12 months of surface mining field experience repairing and maintaining heavy earthmoving equipment required; Must be eligible to work in Canada; Experience with Komatsu as asset: Ability to communicate, share information and seek input to complete assigned work; Ability to approach work with a continuous product improvement mindset; Solid hydraulic and electrical skills, paired with the ability to read and understand schematics; Proven commitment to Safety, Health and Environmental Standards; Experience maintaining hydraulic shovels and SAP would be considered assets; and Experience working at a remote mining site and in a cross cultural work environment. This is a contract position with an end date April 2027, with the possibility of extension.
