Who We Are Active in Canada for over 60 years, we are part of De Beers Group, the world's leading diamond company. Globally, we are a team of more than 20,000 people, with operations in Canada, Botswana, Namibia, and South Africa, and activities across the diamond value chain from exploration to diamond jewelry retail. Our unwavering focus on sustainability and Building Forever fuels our commitment to advance standards across the diamond industry, protect the natural world, partner with local communities, and accelerate economic inclusion to support diversity in our business and beyond. In Canada, we have more than 600 employees working at offices in Calgary, Toronto and Yellowknife, actively exploring for new diamond opportunities, recovering diamonds at the joint venture Gahcho Kué mine in the Northwest Territories, and closing and rehabilitating two mines. At De Beers, we believe in the power of working in partnership with communities to create lasting, positive impacts that endure long after we recover the last diamond. Our inclusive and diverse workplace values mining with respect for the environment and nearby communities, and we seek team players who share our passion for Making Life Brilliant. Safety Safety first is a way of life for us. We are unconditional about the safety, health, and the well-being of our

colleagues, at work and at home, and about that of the communities where we work. We aim to lead the industry by investing in innovation to protect people, who are at the heart of our business. Our high performing teams take accountability for their own and others' actions, work collaboratively, and always show care and respect. Equity, Diversity & Inclusion (EDI) As a global #HeForShe Thematic Champion, De Beers is committed to promoting an equitable, inclusive and diverse workplace where we value and respect every colleague for who they are. We provide equality of opportunity to enable everyone to fulfil their potential. Please inform us should there be any special requirements that should be considered as part of your application. Building forever Sustainability is at the heart of our decision-making - it is how we do business. Building Forever is key to our purpose as it represents our ambitious and holistic sustainability framework and is central to our ability to deliver long-term value to our communities and partners. This shapes how we protect our social and environmental license to operate, build a long-term legacy in our host communities and earn consumers' trust in our diamonds that they can wear with pride. Inclusion & Diversity We are committed to promoting an inclusive and diverse workplace where we value and respect every colleague for who they are. We provide equality of opportunity to enable everyone to fulfil their potential. Background Checks Successful candidates will be required to complete background screening which may include a criminal check and validation of qualifications.

Qualifications & Experience:

Production Drill Operator - Contract, Gahcho Kué Mine, Gahcho Kué Mine, Canada
Job Description De Beers Group of Companies has an exciting opportunity for strong and committed individual to join the Mine Operations Department that will include vacation entitlement, benefits and bonus opportunity at the Gahcho Kué Mine Site based in the Northwest Territories. Reporting to the Drill & Blast Supervisor and working a two (2) week in / two (2) week out rotation, this position is responsible for the safe and effective operation of large rotary or percussion/hammer drills. The ideal candidate is one who is committed to safe working practices and strives for zero harm. This is a contract position with an end date of February 2027, with the possibility of extension. Key responsibilities: Operates drill equipment according to company procedures and standards; Reads drill pattern instructions or diagrams; Measures drill holes and inspecting drill

pattern; Operates a variety of drilling machines to bore blast holes to specified depths at stake positions; Conducts daily safety checks and inspections of the equipment before operating; and Monitors equipment and reports any deficiencies according to proper mine operating procedures. Reporting to the Drill & Blast Supervisor, the role is based in the Mine Operations department. This is a site-based position with a 14 days in/14 days out rotation. Qualifications Experience in the operation and maintenance of production drilling machines (5+ years); Experience operating large rotary drills and hammer/percussion drills; Ability to safely work day and night shifts on a rotational basis; Strong communication skills both verbal and written; Legally permitted to work in Canada; Proven commitment to Safety, Health and Environmental standards; and Experience working at a remote mining site and in a cross-cultural work environment. Desirable Assets: Heavy equipment certificate; Experience with Epiroc Pit Viper and drill models PV271, D65, DX800; and Experience in mining industry, preferably with open pit operations.
