Details:

Fresh Fetch is a small, growing pet nutrition company focused on high-quality, fresh food for dogs. We're looking for a reliable, hands-on person to help with preparing and packaging our products. What you'll do: • Assist with small-batch food prep handling up to 16 ingredients • Portion and package products • Maintain a clean, organized workspace • Support general production tasks What we're looking for: • Detail-oriented and dependable • Comfortable working on your feet • Able to follow food safety and handling guidelines • A love for dogs is a bonus • Interest in pet health, nutrition, or local food is a bonus • Takes pride in quality and consistency Position Details: • Every second Monday for a 6-8 hour shift • Local, in-person role at a home-based business • Competitive hourly rate of pay If you enjoy working with food, take pride in quality, and want to be part of a growing local brand, we'd love to hear from you.

Qualifications & Experience:

- Previous experience in food prep, kitchens, or production environments is an asset
- Experience with packaging, labeling, or assembly-line style work is helpful
- Food Safe certification (or willingness to obtain)
- Strong attention to detail and ability to follow recipes/processes accurately
- Able to lift and carry up to ~30 lbs
- Comfortable working in a fast-paced, hands-on environment
- Reliable, punctual, and able to work independently
