Details:

We are seeking two dedicated and compassionate Homemakers to provide essential non-medical personal care and home management services to adults in need of assistance with daily living. This role is crucial in helping clients maintain their independence and stay in their homes for as long as possible. Primary Responsibilities: ● Meal planning, preparation, and participation in meal programs. ● House cleaning duties such as making beds, dusting, washing clothes, dishes, sweeping, vacuuming, wiping counter tops, and sanitizing bathrooms. ● Laundry, ironing, mending, and minor home maintenance (e.g., fixing doorknobs, attaching railings). ● Carrying water and/or wood and managing home supplies. ● Non-medical transportation to appointments or errands. ● Filling out Adult Care Service tracking timesheets and obtaining client signatures bi-weekly.

Qualifications & Experience:

● Valid driver's license. ● Criminal record check. ● WHMIS certification (or willingness to obtain). ● Signed confidentiality oath. ● Strong attention to detail and commitment to client care.
