Details:

Join Island Health as an Inter-Facility Porter. As the Inter-Facility Porter, you will utilize a computerized dispatch system to assist patient care staff by transporting patients and their belongings to various destinations within the hospital or to another facility. You will administer first aid as required, and perform a variety of duties relating to distribution and transportation of hospital items such as laboratory specimens, blood and blood products, charts, pharmaceuticals, and medical and surgical supplies and the movement of equipment such as beds, commodes, walkers, lift equipment, and medical gas cylinders. You will complete record keeping functions associated with distribution duties and you will be responsible for performing all deliveries and returns of medical rolling stock to/from the equipment depot. You are also responsible for the cleaning processes associated with each piece maintained by the sites equipment depot and sending in work orders for repairs on said equipment. Other duties include general clerical duties as required and maintains a clean, safe and tidy work area. Island Health offers competitive wages, an employee wellness and family assistance program, and many other benefits. Apply today!
