Details:

Job Description: To repair all mobile mechanical systems and equipment. This position shall provide support to all mobile maintenance tasks within this operation. To contribute to the efficiency of the operation by identifying preventive maintenance tasks for equipment and maximizing availability. This position will be filled by a suitably qualified person. Provincially recognized trade certification as a Heavy Duty Mechanic. Must have a high skill level in maintenance of mobile equipment. Additional upgrade in hydraulics would be an advantage. Physical requirements include being able to climb ladders and work at heights associated with conveyors and plant. Qualifications: □ Prior experience working on Wheel Loaders, Tracked Excavators and Dozers. Experience with wheel scrapers will be considered a strong asset □ Previous mining experience an asset □ Valid Interprovincial Red Seal Journeyman's Heavy Duty Mechanic Qualification, but will consider 3rd year apprenticeships □ Valid Driver's License □ Strong interpersonal Skills □ Able to work as both part of a team and independently with minimal supervision □ Preference given to residents of the North Island □ Must be able to pass pre-employment and pre-access drug and alcohol screening and background checks. □ Prior experience with computer and maintenance software Hourly wage is \$51.33 plus premiums and competitive benefits package. Interested Candidates may apply by dropping off a resume in person (between 8AM-4PM) Orca Sand & Gravel LP 6505 Island Highway, Port McNeill BC OR Email a resume to resumes@vmcmail.com
