Job Title: Service Advisor About Us: We are an automotive repair shop in Port McNeill BC, serving our loyal customers for over 10 years. Our reputation for excellence is built upon a commitment to delivering exceptional service and maintaining high standards of craftsmanship. With a skilled and friendly team, always advancing equipment, and a supportive work culture, we strive to provide the best possible experience for both our customers and employees. Position Overview: We are seeking a motivated and customer-focused service advisor to join our team. As service advisor, you will be the first point of contact for customers seeking vehicle service and repairs. You will play a crucial role in understanding their needs and ensuring a seamless experience. Benefits and Pay:

- Wage of \$20 to \$30/hr, depending on experience, with monthly performance bonus on top of wage.
- Ongoing training and professional development.
- Optional Health insurance package, including medical, dental, and vision coverage.
- Overtime pay.
- Paid vacation and sick leave.
- Flexible time off.

Qualifications & Experience:

Key Responsibilities:

- Communicate service needs, estimates, and repair information to the customer.
- Build lasting relationships and understand the needs of the customers.
- Scheduling appointments and receive vehicle

information. • Prepare work orders and estimates, ensuring accurate information and pricing. • Collaborate with the team to prioritize and manage workload effectively. • Maintain a clean and organized workspace as well as assist with general cleaning duties. • Track, organize, and handle parts, including the ability to lift and move items as needed. Qualifications: • Proficient with computers and able to learn new programs. • Able to multitask and have good organizational skills. • Excellent customer service and communication skills, both written and verbal. • Ability to work in a fast-paced, team-oriented environment while maintaining attention to detail. • Knowledge of automotive systems, repairs, and maintenance services an asset but not needed. • Valid driver's license with a clean driving record.
