Details:

The Team Naturally Pacific Resort aims to become a top resort that welcomes everyone and offers exciting experiences every day. We are seeking team members who are passionate about providing exceptional hospitality and service, and who align with our values of Passion, Community, Inclusion, and Innovation. Our focus is not only on creating memorable experiences for guests but also on establishing a fulfilling and enjoyable work atmosphere for our team. Becoming part of the Naturally Pacific team will allow you to engage in the hospitality industry within an expanding company that values every individual's input and celebrates achievements collectively. The Role As a key member of our team the Spa Practitioner is responsible for performing professional massages, facials, and body treatments to the guest. They must have a thorough knowledge of massage modalities, be certified in skin care, possess a general understanding of body treatments and be willing to train in our spa's specific massage and body treatment offerings. They must possess excellent communication skills and be able to learn the product and service knowledge necessary to effectively provide wellness solutions to meet the needs of our guests. Your contributions to the team include:

- Provide consistent professional massage and body treatments following spa protocols and accepted certification practices.
- Effectively inform and educate our guests about specific wellness concerns.
- Handle guests' questions and concerns professionally and courteously, providing accurate, appropriate, and immediate responses to all requests.
- Actively promote the spa, treatments, services, and retail, as well as programs, promotions, and/or discounts available.
- Maintain a positive attitude and contribute toward a quality work environment.
- Have complete knowledge and understanding of all services and products offered.
- Communicate to management any occurrences involving staff or guests in the spa that require attention.
- Be on time for your shift, prompt with each

appointment, and perform services within the appropriate time allotted for the service. • Properly care for equipment and use proper amounts of product to assist with cost controls. • Uphold the standards of sanitation and sterilization as directed by law and the spa's policies and procedures. • Perform prep work, properly clean, and restock room as required. • Possess the ability to work without direct supervision. • Regularly attend, participate in, and support training and staff meetings for the spa. • Support and promote the resort as a whole, being helpful to other areas when necessary. • Other tasks and duties as assigned.
