Details:

The Graphic Designer is an integral part of our Creative team and is responsible for developing marketing materials across a variety of mediums that meet the objectives of Broadstreet Properties, Seymour Pacific Developments, other affiliated brands, and the marketing department. The Graphic Designer, with guidance from the Senior Designer, will work with the Marketing and Communications team to design, standardize, and produce materials and media for the company. Your contributions to the team:

- Utilize brand guidelines to design marketing assets such as digital ads, flyers, brochures, logos, business cards, folders, posters, tent cards, stickers, signage, vehicle branding, presentation, and other exhibits/displays.
- Create and output web and print-ready JPEGs, PDFs, video, graphs, charts, and other assets.
- Integrate multimedia concepts with technical graphic design elements.
- Design and coordinate the marketing collateral and signage required for rental properties, including rental office branding, amenity branding, leasing supplies, sell sheets, brochures, mesh banners, sandwich boards, lawn signs, presentation plans, and billboards.
- Design website media including graphics, animations, magazines, and video.
- Provide guidance to Marketing Administrator when communicating with print vendors to ensure quality and smooth execution and shipping of printed materials.
- Work with Marketing Administrator to review quotes and inspect proofs for accuracy, adherence to corporate standards, and competitive pricing.
