Details:

We are seeking an experienced and detail-oriented carpenter to join our team and work in the picturesque village of Klemtu BC. This is a "camp like" work setting on a 2 week on, 2 week of rotation. The ideal candidate will possess a strong background in various aspects of construction, including carpentry, masonry, plumbing, and heavy equipment operation. This role requires excellent project management skills, the ability to read blueprints and schematics, and a comprehensive understanding of construction estimating and scheduling. The ideal candidate will ensure safety compliance, and deliver high-quality results on time and within budget.

Qualifications & Experience:

- Have hands on experience in all phases of construction projects, including planning, scheduling, and execution
- Read and interpret blueprints, schematics, and construction drawings to ensure accurate implementation
- Coordinate with clients and suppliers to facilitate project progress
- Manage procurement of materials such as concrete forming supplies, flooring materials, lumber, hardware etc.
- Excellent organizational skills with the ability to manage multiple projects simultaneously
- Safely use hand tools, power tools, heavy equipment, and specialized machinery on-site
- Perform or oversee tasks such as concrete finishing, cabinet installation, restoration, exterior deck construction, painting, etc.
- Ensure adherence to safety standards and building codes throughout all phases of construction
- Prepare detailed construction estimates and budgets for projects
- Address any issues or delays promptly to keep projects on schedule
- Hold a valid driver's licence
- Must be willing to work in all weather conditions
