**Details:**

We are currently hiring for several positions at our small custom fish processing plant on Vancouver Island. Duties include taking customer orders, processing fish, vacuum packing fresh and smoked fish, and flash freezing products. We are looking for reliable and hardworking individuals with strong organizational and communication skills who can work well in a fast-paced team environment. A positive attitude and strong work ethic are important, and there are opportunities for overtime. Experience is an asset but not required, as training can be provided for the right candidates.

---

**Qualifications & Experience:**

No experience necessary but customer service experience is an asset.
