Details:

Part Time to Full Time Bartender & Server needed. (2 positions available) If you're looking for a fun environment with a completely different atmosphere and food offerings, come check us out! We will be continuing to add TV's, proper decorations, repainting, and broadening our liquor and beer options as well. The front room is going to become an office/meeting room/event space that will offer more opportunities for shifts as well! We have a lot to look forward to and are looking for people who want to join our team and help make us a longstanding establishment in Port Hardy. We are community-driven and are currently working with someone who is also community-first minded and have several plans and ideas that we will be working on after things settle down for us both after Summer!

Qualifications & Experience:

As we are in the midst of the *crazy busy Summer* season, we do require experience bartending and/or serving. We are at the point when we need to have mid and evening bartenders on most days, and we're hoping to be able to expand our hours to at least 9 pm every night, so we would like to add at least 1 more person who would like to do multiple bartending shifts (or only bartending if that's what you prefer), and at least one more server who also has enough bartending knowledge to be able to make standard drinks in the event it's a slower time when a bartender isn't scheduled.
