Details:

We have an immediate job opportunity for a skilled, reliable, and hardworking 2nd-4th year apprentice electrician. We are a Campbell River based electrical company looking to expand our team. To the successful candidate, we offer competitive wages, job diversity and benefits upon completion of a probationary period. In your role, you will contribute to the installation of electrical systems for renovations, and new construction. Our projects include single family, multi-residential, and commercial buildings. With your attention to detail and problem solving skills you will help execute projects safely and accurately to their completion.

Qualifications & Experience:

The 2nd-4th year apprentice electrician qualified for the position will be able to work both independently and as part of a crew alongside other trades to complete projects on time. You will exhibit the skill to read and interpret blueprints and technical drawings. You should be committed to following safety standards and site procedures at all times, and be able to use hand tools and power tools effectively.
