Details:

We are a Campbell River based electrical company looking to expand our team. To the successful candidate, we offer competitive wages, job diversity and upcoming health benefits. In your role, you will contribute to the installation of electrical systems for renovations, and new construction. The projects include single family, multi-residential, and commercial buildings. With your attention to detail and problem solving skills you will help execute projects safely and accurately to their completion.

Qualifications & Experience:

We are looking for a skilled and experienced journeyman electrician able to work both independently and as part of a crew alongside other trades. A required skill is the ability to read and interpret blueprints and technical drawings and execute them accurately. You exhibit a commitment to following safety standards and site procedures. You are comfortable in the safe and effective use of hand tools and power tools.
