Thursday, August 06, 2026

Details:

Blanchard Security is looking for outgoing, motivated people who enjoy meeting business owners and building genuine relationships in the community. If you're the type of person who can confidently walk into a business, introduce yourself, and start a conversation, we'd like to meet you. At Blanchard Security, we believe every business deserves professional security solutions. Most businesses could benefit from better protection and everyone seems to be seeking better service. They simply need to meet someone they trust. That's where you come in. Previous sales experience is an asset, but your attitude, enthusiasm, and ability to connect with people are even more important. We'll teach you everything you need to know about security systems, cameras, access control, and our commercial solutions. You'll be supported by an experienced local team that's always available to answer questions while you learn. We're looking for someone who:

- Enjoys meeting new people and networking in the community.
- Learns technology quickly and enjoys understanding how things work.
- Is professional, trustworthy, confident, and well-presented.
- Wants to build a long-term career with a growing Vancouver Island company.
- Is self-motivated and enjoys helping businesses solve real problems.
- Isn't afraid of commission based earnings. Because you'll be working in the security industry, you'll need to qualify for a BC Security Worker Licence. This includes a criminal record check and fingerprinting. Don't worry. We'll

explain the entire process and help guide you through it. While we also protect homes, our focus is building relationships with local businesses. We're not a high-pressure company knocking on doors or interrupting families at dinner. Instead, we earn our reputation by helping commercial clients throughout the communities we serve. As businesses come to know and trust Blanchard Security, homeowners naturally choose us too. If you're looking for more than just another sales job and want a career where you can continue learning, helping people, and growing for years to come, we'd love to hear from you. Send a cover letter and resume in PDF format to Marketing@BlanchardSecurity.com telling us why you have the skills for selling, customer service, technology and engaging with the community.

Qualifications & Experience:

- A strong sales background - or a knack for making new contacts, being liked and trusted.
- Technology is our business - as Security Advisor, you don't have to know it all - but you are a quick learner and like technology
- Clean criminal record, a reliable vehicle, willingness to travel throughout Campbell River and the North Island
