Port Hardy and North Island
Port McNeill

Monday July 27, 2026

Attachment: [NICEETE.pdf](#)

Expiry Date:

Friday, September 25, 2026

Qualifications & Experience:

Mount Waddington employers...we've got an important invite for you. The North Island Career Expo and Interactive Trades Event is coming to Chilton Arena in Port

McNeill on Friday, September 25, from 10:00 a.m. to 3:00 p.m., and we're looking for employers who want to help us inspire the next generation of workers. Here's the thing... we don't want you to just bring a banner. Bring an experience too. Think hands-on. Think interactive. Think memorable. Can visitors try a tool? Test a skill? See a demonstration? Meet your team? The exhibitors people remember will best are the ones who let them experience a small piece of what the work is all about. Whether you're in the trades, healthcare, tourism, forestry, transportation, technology, or another industry, this is your chance to showcase your workplace, connect with community, and help build North Island talent. Interested in exhibiting? Call: Serena Gill, Employer Services Coordinator, WorkBC Centre-Port Hardy Toll-free: 1-866-286-6788 or email serena.gill@niefs.net Let's make this a community event to remember together.
