Details:

THE OPPORTUNITY Western Forest Products is currently seeking a fully qualified Grapple Yarder Hooktender to join our Englewood Forest Operation located in Woss, BC. What We Offer: • United Steel Worker (USW) union wage rate of \$46.26 • Health & Dental Benefits provided through the union • Pension plan provided through the union • A safe work environment Shifts: This position is currently on a 5x2 shift, 5 days on and 2 days off, 8 hours per day. This role is considered safety sensitive; all successful candidates will be subject to a pre-employment drug test. YOUR CAREER At Western Forest Products, we believe our most significant asset is our people. Investing in our people brings value and success to our business, ensuring a safe, engaged, productive and continuously improving workplace. We offer challenging opportunities working alongside the best in the industry to meet your career and professional development goals while providing competitive total rewards and recognition. We provide a variety of on-the-job training and continuing education in many areas at Western to ensure you have the skills you need to succeed. Our promote-from-within culture recognizes high performance and we offer diverse career paths across the organization for those with the talent and will to advance. WESTERN OVERVIEW Western Forest Products is a leading forest products company that sustainably manages forests and manufactures high-quality wood products. Headquartered in Vancouver, British Columbia with operations in the coastal region of BC and Washington State, Western meets the

needs of customers worldwide with a specialty wood products focus and diverse product offering. Our commitment to health and safety, environmental stewardship and community engagement is core to how we do business at Western Forest Products. Our approach to responsible business practices in all aspects of our business is multi-faceted. We adhere to and employ the most stringent environmental practices in the world. The steps we take to ensure the forests in which we operate are renewed and remain healthy and viable for future generations are mirrored in the care we take to make certain our communities continue to grow and prosper. This includes investing in communities where we operate and continuing to forge mutually beneficial relationships with First Nations in respect of their local and cultural interests.

Qualifications & Experience:

Education and Experience • Fully qualified in all aspects of the job with minimum 2 years of experience in BC Coastal Logging; • Preference may be given to applicants holding a valid Intermediate First Aid certificate. Successful applicants who do not currently hold this certification must be willing to obtain it. Skills, Knowledge and Required Competencies • Excellent safety record and strong work ethic; • Highly motivated team player with excellent time management skills; • Creative and innovative thinking; • Logical problem solving; • Accountable and dependable; • Demonstrated ability to work both as part of a team and with minimal supervision.
