Details:

We are a Campbell River based electrical company looking to expand our team of skilled, reliable, and hard-working electricians. We offer competitive wages, job diversity, dental and health benefits. Our projects range from single family, to multi-residential, and commercial buildings. Our jobsites include renovations, as well as complete electrical installations on new construction.

Qualifications & Experience:

As a part of our team, you will:

- Be required to work both independently and as part of a crew alongside other trades to complete projects on time.
- Be skilled in reading and interpreting blueprints and technical drawings.
- Be committed to following safety standards and site procedures at all times, and be able to use hand- and power tools effectively.
- Exhibit skills such as attention to detail and problem solving so projects are executed safely and accurately to their completion.

There is also the possibility to periodically work on our projects in the interior of BC. This would be your choice and not a requirement.
