Details:

Are you a skilled, reliable, and hardworking 2nd-4th year apprentice electrician? We are a Campbell River based electrical company looking to expand our team. We offer competitive wages, job diversity, dental and health benefits upon completion of a probationary period. Our projects range from single family, to multi-residential, and commercial buildings. Our jobsites include renovations, and complete electrical install on new construction.

Qualifications & Experience:

The 2nd-4th year apprentice electrician qualified for the position will be able to: - Work both independently and as part of a crew alongside other trades. - Exhibit the skill to read and interpret blueprints and technical drawings. - Be committed to following safety standards and site procedures at all times. - Be able to use hand tools and power tools effectively. With your attention to detail and problem solving skills you can help execute projects safely and accurately to their completion.
