Details:

Gowlland Towing Ltd. is a proudly SAFE Certified Canadian marine transportation company providing professional towing and marine services throughout British Columbia. With a strong focus on safety, reliability, professionalism, and teamwork, our experienced crews operate a diverse fleet of tugboats and workboats in some of the most challenging marine environments in the province. At Gowlland Towing, our people are at the heart of our operation. We are committed to providing a safe, respectful, and supportive workplace while offering opportunities to develop valuable marine skills and build a rewarding career in the towing industry. Join the Gowlland Towing team and become part of a company where safety, teamwork, and getting the job done right matter. Duties include:

- Assist Master and Mate with maintaining a safe Navigational Watch.
- Preparing meals and managing ship's stores.
- Housekeeping of the vessel.
- Working on the deck of the tug as well as on log booms or barges as required.

Key demonstrated strengths:

- Must have a positive attitude
- Be physically fit and have a willingness to learn
- Willingness to participate in and contribute to the safety culture of the company
- Must be able to work as a good team player with good communication skills
- Must be able and willing to plan and prepare meals for crew

Qualifications & Experience:

First consideration will be given to applicants who have received the following training/certification; Marine Basic First Aid, MED Domestic Vessel Safety or higher, WHIMIS 2015, & Food Safe. Mechanical knowledge is always a benefit.
