Being the Difference: A NEW MILESTONE IN CAMPBELL RIVER IS AVAILABLE! Impact Young Adult Lives in our Staffed Residential Home in Campbell River! At Bayshore Home Care Solutions, a division of Bayshore Healthcare Ltd., while we are known for our exceptional 1:1 home support, we are excited to launch a brand-new Staffed Residential Project in Campbell River specifically for young adult clients. We are seeking dedicated and compassionate Licensed Practical Nurses (LPNs) for both Full-Time and Part-Time positions to join our team. You will be part of a collaborative environment where you support our young adult clients in a staffed residential setting. In this rewarding role, you won't just provide clinical care; you will be a vital part of a team helping our clients thrive, gain independence, and navigate their health challenges within a supportive community home. Your expertise will foster a sense of belonging and stability for our clients. "Not all of us can do great things. But we can do small things with great love." If you are motivated by a desire to make a tangible difference through team-based care, this new project at Bayshore is the fulfilling journey you've been searching for. Salary Range: $32.14 - $39.35 per hour. As Canada's largest and leading home care provider, we invite you to join us in our 50+ year legacy of empowering our Nurses to make a meaningful difference in their careers! Bayshore HealthCare is one of the Canada's leading providers of home and community health care services and is a privately owned company. We are proud to showcase our achievement as a Platinum member of Canada's Best Managed Companies Program every year since 2006. In 2015, Bayshore achieved the designation for Best Practice Spotlight Organization from the Registered Nurses' Association of Ontario. Bayshore Healthcare is also recognized as Canada's Best Employers in Forbes 2023 list. With locations across the country, including more than 80 home care offices, 11 pharmacies and over 100 community care clinics, Bayshore has more than 18,000 staff members and provides care to over 350,000 clients annually. We are dedicated to enhancing the quality of life, dignity, and independence of all

Canadians, by providing customized care plans and solutions that allow clients to remain in the comfort of their own home. Why Choose Bayshore? We’re not just a healthcare provider; we are proud to have maintained our status as one of Canada’s Best Managed Companies for 15 consecutive years! Our nurturing environment values and appreciates your contributions. What We Offer: Collaborative Team Environment: A supportive staffed residential setting where you work alongside fellow healthcare professionals. Competitive Wages: We value your expertise with competitive hourly rates and additional pay differentials. Consistent Scheduling: We have Full-Time and Part-Time opportunities available to help you create a work-life balance that works for you. Ongoing Learning & Development: We invest in your growth with specialized paid training and orientation. Rewarding Benefits: Employer-paid health benefits and group retirement savings plan (available based on minimum hours). At Bayshore HealthCare, we believe that our commitment to Equity, Diversity & Inclusion is our greatest strength. This principle guides us in realizing our vision of positively impacting the lives of those we serve. We take great pride in fostering a culture of belonging, where individuality is embraced and celebrated through programs, resources, and policies that support each person’s purpose, potential, and well-being. We proudly stand as an equal opportunity employer. We embrace diversity and are committed to cultivating an inclusive environment for all our wonderful team members. Together, let’s make a difference—one life at a time!

Qualifications & Experience:

- Active license with BCCNM required. - Pediatric experience is an asset but not mandatory.
