This position offers: • A standard 35-hour work week for 10 months of the year (will consider part-time applicants for the right candidate). • Paid overtime or time off in lieu of overtime, typically only required during March/April tax season. • Full support for those interested in pursuing their CPA. • Continued professional development. • Workplace flexibility (both on-site and hybrid work opportunities). • Comprehensive benefits package. • On-site parking. Compensation: \$55,000 - \$68,000 per annum (commensurate with experience).
