We are currently working on our Fall/Winter menu and are looking for a reliable, experienced line cook to join our team as some of our kitchen staff have gone back to school and we are trying to get Joe out of the kitchen and out front. Position is for dinner service - Part time with potential for full time hours! Looking for someone who has a positive attitude and shows up to work. We are very flexible with time off when needed, working around schedules, etc! We also welcome creativity and are always happy to allow our servers and kitchen staff to come up with ideas to run as specials, but it is also not required!

Qualifications & Experience:

We are looking for someone with a minimum of 3 to 5 years of experience in a fast paced kitchen environment preparing a variety of dishes. Experience cooking Mexican food is NOT required, just cooking in general!
