We have an active loyalty program for guests and plan to expand it soon with special nights, loyalty only deals and more options for turning in points. Our staff is also eligible to sign up for the loyalty program which helps you earn any time you have a staff meal or come in with family and friends to give you even more discount benefits! :) We offer a free meal on nights you're just bartending; 50% off for front of house staff when serving or delivering; and 15% off when you're off work for yourself and up to 7 other guests that come in with you.

We are looking for motivated, experienced servers/bartenders with a positive attitude, who want to work in a fun environment, help with events, catering, private parties, etc! We also plan to try delivery soon and would have extra shifts available possibly for those who want to do a night or two delivering. Must have bartending experience as we have a wide variety of cocktails, blended drinks, mocktails, etc! We prefer a minimum of 3 to 5 years experience serving with at least 1 to years of bartending.
