Details:

We are seeking a skilled and dependable Mechanic to join our team. The ideal candidate will be responsible for diagnosing, repairing, and maintaining a variety of machinery and equipment to ensure optimal operational performance. This role offers an opportunity to work in a dynamic environment where technical expertise and problem-solving skills are highly valued. The position requires a proactive approach to maintenance, safety compliance, and continuous improvement.

Qualifications & Experience:

Requirements - Proven experience as a Mechanic or similar role, with a strong understanding of mechanical systems. - Knowledge of hydraulic, pneumatic, and electrical systems is preferred. - Ability to read technical manuals, schematics, and blueprints. - Strong problem-solving skills with attention to detail. - Excellent communication skills and ability to work independently or as part of a team. - Ability to lift heavy objects and perform physical tasks as required. - A proactive attitude toward safety procedures and compliance standards
