Details:

About Us At Aquatrans, our success begins with our people. We pride ourselves on our open company culture; we're progressive, evolving daily, and safety is ingrained in our culture. Most importantly we truly enjoy our work and the environment that we work in! We are a specialty service, truck carrier based out of Delta, B.C. who provides general cargo, refrigerated and bulk commodity transportation throughout the Lower Mainland, Vancouver Island, and Washington State. We also provide an increasing selection of Warehouse and Distribution services in the Lower Mainland and Vancouver Island. Nature of Position: Monday to Friday, full-time 30-40 hours per week Wage: \$25 - \$30/hr experience/ticket dependent What You'll Do Aquatrans is seeking a reliable and motivated Warehouse Technician to support operations at our Coal Harbour Warehouse and Omega Dock Warehouse. Working as part of our North Island team, you will help ensure the efficient movement, storage, and distribution of freight, supplies, and equipment directly supporting the Aquaculture industry. This role combines warehouse operations, inventory control, freight handling, and customer service in a fast-paced outdoor environment. Key Responsibilities •Safely operate forklifts and other material handling equipment. •Load and unload freight from trucks, barges, and other transport vehicles. •Receive, verify, and process incoming and outgoing shipments. •Consolidate, package, label, and prepare freight for shipment. •Maintain accurate inventory records and data entry. •Keep warehouse

and yard areas clean, organized, and operational. •Provide professional customer service and support. •Follow company policies, procedures, and safety requirements. •Participate in safety inspections and initiatives. •Assist with other operational duties as required. What We Offer - Competitive Compensation & Benefits •Competitive wages based on experience and qualifications •Extended health, dental, and vision benefits •Opportunities for training and career development Supportive Work Environment •Aquatrans is committed to providing a respectful, team-oriented workplace where employees are valued and encouraged to grow. •Meaningful Work •Join a team that supports Coastal Communities and British Columbia's Aquaculture Industry through essential transportation and warehousing services. •Safety-Focused Culture •Safety is a core value at Aquatrans, and we provide the training, resources, and support needed to help employees succeed. Apply Today If you are dependable, safety-minded, and enjoy hands-on work in a dynamic outdoor environment, we'd like to hear from you. Please note: Employment is conditional upon the successful completion of a pre-employment background check.

Qualifications & Experience:

Qualifications - The successful candidate will have: Valid forklift ticket and safe operating experience. Experience in warehouse operations, shipping, receiving, or logistics. Ability to work independently and as part of a team. Physical fit and able to safely lift up to 50 lbs. Comfortable working outdoors in all weather conditions. Flexibility to work additional hours when required. Valid Class 5 BC Driver's Licence with reliable transportation. High school diploma or equivalent. Preferred Qualifications - The following would be considered assets: Propane Dispensing Certification. Crane Operator Certification and experience. Experience working in a marine terminal, dockside, or yard environment.
