How to apply:

email: islandlifeexpeditions@gmail.com

Expiry Date:

Friday, October 23, 2026

Details:

- Meet with clients to discuss their health history, wellness goals and use of herbs; document consultations and recommendations. - Assess clients within the scope of herbal practice and advise on suitable herbs, preparations, precautions and possible herb-medication interactions. - Prepare herbal teas, tinctures, salves and other preparations; maintain clear records and follow safe handling, storage and labelling procedures. - Organize herbal ingredients and dispensary inventory, including ordering and stock rotation. - Develop and lead workshops and demonstrations about Western herbal medicine and medicinal plants. - Help develop herbal education activities that complement our outdoor and nature based experiences. - Recognize when a client should be referred to a regulated healthcare professional and protect client confidentiality.

Qualifications & Experience:

- A diploma or certificate in Western herbal medicine, phytotherapy or a closely related herbal medicine discipline, normally from a program of two years or longer. - Supervised clinical practice as part of herbal medicine training. - Knowledge of herbal formulation, safe preparation, contraindications and client record keeping. - Experience preparing herbal products and conducting client consultations is an asset. - Experience in healthcare, wellness education or a client care setting is an asset. - Strong communication, organization and client service skills; ability to work in person in both indoor and outdoor settings.
