Details:

B.I.G. Timber Contracting is growing. We're looking for an experienced apprentice carpenter to join our crew and work on renovations, home additions and exterior projects across the Comox Valley and Campbell River. \$28-35 /hr, depending on experience. Optional paid overtime available depending on project needs.

Applicant must be available to work projects across Comox Valley and Campbell River. About Us & How We Work: You'll work alongside company owners B, I and G, who lead the carpentry and project management on every job. Together, they bring 45 years of carpentry experience and Red Seal certification. B.I.G. was built on friendship - a deep respect for the trade, and each other. On our small crew, everyone helps keep the work moving by noticing what needs doing, thinking a step ahead, asking questions when you need to, and taking pride in accurate, efficient, well-finished work. Clear, considerate communication and follow-through with our clients and trades are part of the craft. What We Build • Residential forming and framing • Roof framing • Timber framing • High Efficiency / Net-Zero Homes: SIPs installation • Custom woodworking projects • Siding, decks, stairs, other exterior projects • Interior and exterior finish carpentry

Qualifications & Experience:

Who You Are • An experienced apprentice carpenter, ideally in your 3rd or 4th year, or with equivalent residential experience • Comfortable with residential forming and framing, roof framing, siding, decks and stairs, and interior or exterior finishing • Able to read drawings, plan ahead and work with minimal supervision •

Reliable, proactive, and a good communicator • Shows up on time and keeps personal phone use to breaks and necessary communication. • Have a driver's licence, your own vehicle and basic tools • Eager to take on new challenges and keep learning
