Details:
Mid Island Co-op is hiring a Meat Cutter for our Oyster River Food Market Are you committed, outgoing, reliable and love being in service for our community? Do you strive to create exceptional customer experiences in the retail industry? This may be the job for you! Things you'll do: •Represent Mid Island Co-op by being an ambassador and demonstrating our values of Excellence, Community, and Teamwork. •Assist management in the operations of the meat department, including but not limited to handling customer transactions, responding to customer questions and concerns in a professional manner, preparing and merchandising meat products, and keeping the department clean, well-stocked, and food-safe. •Maintain a safe, efficient, and positive work environment while adhering to company policies, procedures, and standards. Who we are: Mid Island Co-op is a different kind of business. If you're a member, you're an owner. We support and invest in our community because we live here too. With gas bars, liquor stores and grocery stores located throughout Central and Northern Vancouver Island, we pride ourselves on providing quality services and products to our customers. At Co-op, we embrace diversity and inclusion, and we're working to create a workplace that is as diverse as the communities we serve. Please note that all positions require a criminal background check, and our safety-sensitive positions will require pre-employment alcohol and substance testing (paid for by Mid Island Co-op). We thank all candidates for their interest; however, only those selected to continue in the recruitment process will be contacted. Pay: $22.29-$26.04 per hour Expected hours: 16.0 – 24.0 per week Benefits: •Employee assistance program •On-site parking •Store discount Work Location: In person

---

Qualifications & Experience:
Apply to become a Meat Cutter today if you're a team player with strong customer service and communication skills, and you can lift, push, and pull up to 50 lbs. Previous food store/retail experience is preferred, and food safety certification and/or previous experience as a meat cutter would be an asset.
