Territorial Acknowledgement Before Canada and BC were formed, Indigenous Peoples lived in balance and interconnectedness with the land and water in which the necessities of life are provided. Health disparities persist, which are due to the impacts of colonization and Indigenous-specific racism. Healthy lands, healthy people. Island Health acknowledges and recognizes these homelands and the stewardship of Indigenous Peoples of this land; it is with humility we continue to work toward building our relationship. As the largest employer on Vancouver Island, we provide healthcare services to people on Vancouver Island and surrounding islands and communities. We're always looking for dedicated professionals to join our growing team and help us shape innovative and culturally safe care in our province. Join us and help build the future of health. We serve over 850,000 residents through hospitals, clinics, health centers, long-term care, and more. We offer diverse career opportunities in nursing, pharmacy, laboratory services, food and environmental services, and administrative roles. Our employees enjoy a comprehensive benefits package to support their well-being and professional growth.
