Details:
Seymour Pacific Developments Ltd. is a national leader in land development and residential construction, and we are looking for a Civil Labourer in Campbell River, BC. The ideal candidate will have experience in residential excavation, grading and utilities, as well as an understanding of civil construction fundamentals. Your contributions to the team: • Assist crews with manual tasks including digging, lifting/moving of material or equipment, and other related duties • Assist with the levelling and compaction of trench backfill around pipes and manholes • Assist pipe layer with installation of water, storm, and sanitary pipe • Assist with construction clean up as required • Perform additional assignments per supervisor’s direction What we offer: Employees enjoy a wide range of benefits and competitive reward. You will be eligible to receive wages starting from $20.80 to $26 per hour, this will be determined by your skill set, education and experience. You will also be eligible to participate in the Company’s benefits program covering: • Employer paid extended health, vision, and dental coverage (including family) • Employee and Family Assistance Program • Employee Referral Program • Yearly health and wellness benefit • RPP eligibility after 1 year • Employee recognition program • In-house professional development opportunities Why Seymour Pacific? Seymour Pacific Developments is an industry leader in building multi-family homes with unparalleled speed and efficiency. We develop and build over 1000 units a year by leveraging effective teamwork and industry expertise. We offer excellent

wages and benefits, as well as a variety of training for employees who are motivated to succeed and want to expand their horizons. Seymour Pacific Developments practices equal opportunity hiring and onboarding processes to ensure equal access and participation for everyone. We understand that we have a responsibility for ensuring a safe, dignified, and welcoming environment and we are committed to creating an inclusive environment for all employees irrespective of race, colour, religion, sexual orientation, gender identity, or any other status protected by law. We believe in integrating people with disabilities into our workforce by removing barriers and meeting accessibility needs.

Qualifications & Experience:

What you need to be successful: • Experience in residential excavation, grading and utilities an asset • Willing to work outdoors in all types of weather • Understanding of civil construction fundamentals an asset • Complete all given tasks in an efficient, safe manner • Adhere to all company and safety policies
