Expiry Date:

Thursday, December 03, 2026

Details:

Grader Operator | Gold River, BC Cypress Creek Logging Union wage · $41.30 per hour Schedule · Camp shift with a negotiable rotation Cypress Creek Logging is hiring a Grader Operator to maintain active logging roads in the Gold River area. We're looking for an experienced operator who can work safely and independently in a remote forestry operation. What you'll do • Grade and maintain logging roads, haul routes, and landings. • Maintain road crown and drainage, repair potholes and ruts, and spread gravel as needed. • Complete daily equipment inspections, perform routine servicing, and report mechanical issues. • Coordinate with supervisors, drivers, and other operators by radio and report road hazards and changing conditions.

Qualifications & Experience:

What you'll bring • Experience operating CAT 14G, 14H, and 14M motor graders. • Experience maintaining forestry or resource roads is preferred. • A valid Class 5 driver's licence. • Ability to work independently and follow safe work and radio procedures.
