

Millwright

Trafigura Group has an immediate need for a qualified Millwright at its Myra Falls Mine on Vancouver Island, British Columbia. Myra Falls Mine is an underground mine operation located 90 km southwest of Campbell River, BC in the picturesque surroundings of Strathcona Provincial Park. Surrounded by mountains and lakes, the trip to the mine has some of the world's most impressive views.

This is an onsite position and camp accommodation during work schedule and transportation is provided. The shift schedule will be 7 days on, 7 days off, 12 hours, rotating days, and nights. If you like to work with people in an operation to deliver results, and you enjoy an active outdoor lifestyle of Vancouver Island's coastal life, this could be your opportunity

Make Myra Falls Mine your next career choice!

Responsibilities

Reporting to a Maintenance Supervisor, Millwright's play a key role in ensuring the safe and effective operation of all Mill mechanical assets. More specific responsibilities include, but are not limited to:
