

60T Master – Hydrolicer/Victory VI

We are currently recruiting for the position of work vessel Masters with 60T Limited Master Certificates of Competency. As the Master of a Mowi Canada West work vessel you will be responsible for:

- The health and safety of the crew, safety and security of the vessel, and for the protection of the environment from pollution from the vessel.
- Ensuring that the vessel is operated in full compliance with local, company, and federal regulations, Acts, guidelines etc. applicable to any Canadian commercial marine operation.
- Ensuring that specified Mowi Canada West policies, operating procedures, and Company standards are strictly observed.
- Ensuring that the vessel is maintained according to Mowi Canada West's maintenance schedules, and to Transport Canada requirements.

Working with the Treatment Team, you will ensure support to the sites by providing work vessel assistance, and ensure the following type of work is executed in a safe and professional manner:

- Site set ups and tear downs for Hydrolicer treatment.
- Hydrolicer Barge relocations by site, and by cage.
- Net handling & rigging.
- Movement of equipment as required.

Requirements:

- 60T Limited Master Certificate of Competency, including the training and sea time applicable to your Certificate.
- ROC-M or ROC-MC, Marine Basic First Aid, DVS.
- Crane Certification.
- Vessel and equipment maintenance experience.
- Self-motivated with leadership ability.
- Excellent time management and ability to manage others.
- Safety oriented.
- Vessel experience in rough weather.

Closing Date: January 22, 2020
