

Ocean Pacific Marine is the largest marine store and boatyard on Northern Vancouver Island, providing parts and service to recreational boaters and commercial vessels in the Campbell River area since 1985.

We currently accepting applications for

- **Marine Service Technician**

The desired candidate will have a well-rounded knowledge of all marine related mechanical systems. This includes troubleshooting, repairs and installations.

A Marine Technician troubleshoots, repairs and installs marine related mechanical systems. This includes heating and steering systems, running gear components, engine alignment, pumping and thru hulls, AC/DC electrical and engine control systems.

Vessels requiring repair and refit range from pleasure craft sailboats to luxury yachts, as well as tug boats, fishing, Navy, Coast Guard and RCMP vessels

The successful candidate will be one who thrives in a busy, often fast changing, environment and excels as part of a team.

Experience in comparable roles, such as a Millwright, would be considered.

Candidates with ABYC certifications, Marine Service Technician or Marine Mechanical Technician training will be given priority.

This is a full time, Monday-Friday position.

Compensation: Hourly wage with tool allowance, extended Medical and Dental benefits and potential for annual bonus.
