

CAPACITY FOREST MANAGEMENT LTD.

Working with First Nations

60-ton master

Capacity Forest Management Ltd, a full-service forest management company based in Campbell River is looking for a **Captain for its 65-foot support vessel** to join our team.

The High Seas Drifter is a 1941 ex air force vessel that has been modified and kept in pristine condition. The ship has CSI certification for carrying passengers and is primarily used internally to house workers at remote locations on the BC Coast.

Qualifications

- 60-ton limited master certificate or higher.
- Minimum 5 years of experience on the North and South Coast of BC.
- Mechanical ability to deal with minor repairs and servicing in remote locations.
- Ability to communicate and work with people including a full time cook also on the ship during work shifts.
- Ability to work 14 days on, 7 days off shifts.
- Demonstrate a commitment to safety and ship safety at all times.
- References required.

Wages commensurate with experience.

Resumes can be emailed to info@capfor.ca

Deadline for applications is June 29, 2018.
